MBUNC - CLUB PHYSIO – LAUREN MORRISH

We are excited to be partnering with committee member and physio, Lauren Morrish, in 2024.

Lauren has kindly offered to help treat our club players should they sustain an injury while training or playing netball for MBUNC this season.

Here's some information outlining the consultation, claims, and billing process:

COST:

Initial Assessment appointment	\$30 contribution from player
Follow-up appointment	\$80
Assessment of new problem – if initial assessment already claimed in season and paid for via club contribution.	\$100

***Note: The Parent/Guardian of junior aged players must attend consultations.**

An invoice will be sent to the player after consultation, and payable within 14 days of invoice date. Information will be provided for retrospective claim to health insurance provider.

- Offer available solely for injuries or issues sustained during the MBUNC netball season and related to or impacting on netball game play.
- The availability and use of this subsidised service is up to the discretion of coaches, committee members and treating Physiotherapist.
- Players will be referred to Physiotherapist via coaches if deemed necessary.
- The club will not subsidise the cost of treating injuries sustained outside of these parameters and reserves the right to refuse use of service to players if not deemed appropriate or necessary.
